AKC Grand Champion

Competition for this new title will be judged during the Best of Breed/Variety competition at all-breed, group and specialty shows. All Champions of Record entered in the Best of Breed/Variety competition will be eligible to compete for Grand Championship points. There is no additional entry fee. Grand Championship points are awarded, at the judge's discretion, to the following placements: Best of Breed/Variety, Best of Opposite Sex, Select Dog and Select Bitch. Select Dog and Select Bitch are Champions that were recognized as the top quality of their sex after BOB and BOS have been awarded.

Grand Championship points are calculated using the same AKC Point Schedule as is used for Championship points. (Dogs entered in non-regular classes are not counted in the computation of Championship or Grand Championship points.) Champions of Record including champions that are non-regular class winners (i.e. Veterans Class Winners) or dogs that have been "moved up" to Best of Breed competition for the show are the only dogs eligible for Grand Championship points. Although Winners Dog or Winners Bitch can win Best of Breed or Best of Opposite

Sex, in no case will they be eligible for Grand Champion competition.

Grand Championship points may be awarded to eligible dogs as follows:

- Best of Breed – All dogs of both sexes in the variety exhibited in the regular classes and Best of Breed competition will be counted.
- Best of Opposite Sex to Best of Breed – All dogs of the same sex in the variety exhibited in the regular classes and Best of Breed competition will be counted.
- Select Dog/Select Bitch – Total number of dogs of same sex in the variety defeated in regular classes and BOB competition will be counted. (i.e. 2 dogs less than the total number of the same sex).

AKC Code of Sportsmanship

PRE FACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
